

Jurassic Car Wash 2017 Fact Sheet

About

Jurassic Car Wash is fun and different, just like Austin. Customers can enjoy a premium clean car wash while sitting in the presence of animatronic dinosaurs!

Location

4809 S. Congress Ave. Austin, TX 78745

Hours

Seven days a week, 24 hours a day

Features

- Four convenient self-service car wash bays
- A full service, automatic car wash with high-powered water jets, heavy-duty soft scrubbers, scented detergents, and a powerful directional air dryer
- Four fully animatronic dinosaurs including a pterodactyl on the roof, a dilophosaurus on the front of the building, and two coin-operated figures in the back of the premises: a T-Rex and Styacosaurus
- Two huge yellow dinosaurs with built-in seats for customer photos out front
- Sizable pet washing bay in a free-standing enclosure
- Self-service vacuums, spot remover, carpet shampoo, and fragrance machines
- 16 security cameras and four large LED lights on premises
- Vending machines with superior quality detailing products and cleaners

Fun Facts

- The entrance of the automatic car wash features a giant T-Rex that squirts water on cars as they enter the tunnel.
- One of the animatronic dinosaurs comes alive on the hour and half hour daily between the hours of 10 a.m. and 7 p.m.
- There is a food truck on-site called Big Vinny's BBQ, which is open Friday through Sunday from 11 a.m. until they sell out.
- Muddy T-Rex footprints painted on the concrete lot function as directional signs.
- Nearly every machine on the premises accepts credit cards including the self-service vacuums, vending machines, and Jurassic Pet Wash.
- An average of 130-140 cars go through the automatic car wash every Saturday.
- Customer value cards are available at the cashier or online at <http://jurassiccarwash.com/store/> and can be bought, used, or recharged anytime to earn car wash discounts.

Owner

John Borek
